

Employee Health & Safety

Tata Power invests a large amount of resources to reduce workplace accidents and ensure a safe working environment. The company protects the interests of its employees by providing them with appropriate and up-to-date training

Health & Safety: Putting People First

Tata Power invests a large amount of resources to reduce workplace accidents and ensure a safe working environment. The company protects the interests of its employees by providing them with appropriate and up-to-date training and access to development programmes. By adhering to world safety standards, promoting product and operational safety, and encouraging the active participation of every employee, Tata Power has created a healthy work environment that complements its superior business performance.

Safety Priorities

Striving for zero accidents & injuries

We have created programmes to promote worker and contractor safety on the road, in the laboratory and wherever we operate worldwide. We are committed to reducing safety incidents to zero. And we place the highest priority on the health and safety of our workforce, on the protection of our assets and on safeguarding the environment.

PROTECTING FROM ILLNESS

At TATA Power, we strive for excellence. Having a safe and healthy workforce amplifying our performance. Every employee is a part of our mutual empowerment and achievements. There is no compromise when there is no safety.
